Draw me close to You  
Never let me go  
I lay it all down again  
To hear You say that I'm Your friend

You are my desire  
And no one else will do  
'Cause nothing else can take Your place  
To feel the warmth of Your embrace

Help me find a way  
Bring me back to You  
Bring me back, oh Jesus

Draw me close to You  
Never let me go  
I lay it all down again  
To hear You say that I'm Your friend

You are my desire  
And no one else will do  
'Cause nothing else can take Your place  
To feel the warmth of Your embrace

Help me find a way  
Bring me back to You

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know You are near

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know You are near  
Help me know You are near  
Help me know You are near

You're all I want, oh yes you are  
You're all I've all I've ever needed  
You're all I want help me know You're near

Help me know You are near

Don't you ever leave, don't you ever leave me

Help me know You are near

Don't you ever leave me Jesus

Help me know You are near
