"TAKE ME BACK"

Visit "[TAKE ME BACK](#)" on MotoLyrics.com

I don't love you like I use to

When nothing came between my God and me

And somehow it seems I've lessened my
dependence

And wonder why it's not the way it use to be

But I'm ready to learn how to faithfully love you

With my heart, my soul and my life

Take me back, Take me back to the time I fell in love

I don't serve you like I use to

Cos I'm too busy serving me

And I don't spend the time with you I need to

And wonder why my soul cannot find peace

But I'm ready to learn how to faithfully serve you

With my hands, my life and my time

Take me back, Take me back to the time I fell in love

I don't love you like I use to

When nothing came between my God and me

But I'm ready to learn how to faithfully love you

With my heart, my soul and my mind

Take me back, take me back to the time I fell in love
