You are a lion and I am a lamb
But that doesn't mean this
love wasn't meant to be
I will show you and you will see
That nothing, nothing, nothing
Will tear us apart

Cause all I've ever wanted
Is to be with you
All I've ever wanted
Is to do what you do
All I've ever wanted
Is to see what you see
And all I've ever wanted
Is to be what you can be
So let's get down to business
It's all I've ever wanted to do
Let's get down to business
So I can be a vampire just like you

We got into the worst situations
But we always managed to come out ok
And everyone would always say
That this love wasn't suppose to happen
But that didn't stop us
And it never, never, never will

Cause all I've ever wanted
Is to be with you
All I've ever wanted
Is to do what you do
All I've ever wanted
Is to see what you see
And all I've ever wanted
Is to be what you can be

And we got down to business
It's all I'd ever wanted to do
We got down to business
And now I'm a vampire
Just like youuuuuuuuu
