Seeking for my truth
Where's the ending where I'm going to?
Am I on my way?
Should I care?

Do I have to face
I am losing my path and trace
All I know for sure
Can't get trough

Delirium
I close my eyes
I'm lost inside

Delirium
No life line
I've lost my mind
Inside

Riding for a fall
Cannot see, if there's a wall
Blinded by the ride
No clear sight

Do I have to face
I am lying my life to waste
All I know for sure
I can't get trough
