Hey now  
Where you going with that load of nothing in your hand  
I said, hey now  
Through this green and pleasant land.

I'm going down to Liverpool to do nothing  
I'm going down to Liverpool to do nothing  
I'm going down to Liverpool to do nothing  
All the days of my life  
All the days of my life

Hey now  
Where you going with that UB40 in your hand  
I said, hey now  
Through this green and pleasant land

I'm going down to Liverpool to do nothing  
I'm going down to Liverpool to do nothing  
I'm going down to Liverpool to do nothing  
All the days of my life  
All the days of my life

Hey now  
Where you going with that UB40 in your hand  
I said hey now  
Through this green and pleasant land

I'm going down to Liverpool to do nothing  
I'm going down to Liverpool to do nothing  
I'm going down to Liverpool to do nothing  
All the days of my life  
All the days of my life
