Katrina & The Waves - Love Shines A Light
=====

Love shine a light
in every corner of my heart
Let the love light carry,
let the love light carry
Light up the magic
in every little part
Let our love shine a light
in every corner of my heart

Love shine a light
in every corner of my dream
Let the love light carry,
let the love light carry
Like the mighty river
flowing from the stream
Let our love shine a light
in every corner of our dream

And were all gonna shine
a light together
All shine a light
to light the way
Brothers and sisters
in every little part
Let our love shine a light
in every corner of our hearts

Love shine a light
in every corner of the world
Let the love light carry,
let the love light carry
Light up the magic
for every boy and girl
Let our love shine a light
in every corner of the world

And were all gonna shine

a light together
