"Que Te Quiero"

People keep telling me
Don't go South of the border
People keep telling me
You're the captain's daughter

But I don't mind
No, no, no
Cause I love a boy
Down in Mexico

Well, people keep telling me
Don't get on that bus
Oh, people keep telling me
That he's not like us

But I don't mind
No, no, no
Cause I love a boy
Down in Mexico

(CHORUS)
Que te quiero mi vida, quiero
Que te quiero mi vida, quiero
Que te quiero mi vida, quiero
Que te quiero, quiero
Que te quiero, quiero, ooooh

So people, don't tell me
He's no good
So people, don't tell me
I gotta do what I should

Cause I'm in love
Yes, I know
I'm in love with a boy
Down in Mexico

(CHORUS) 2X
