Love, shine a light in every corner of my heart  
Let the love light carry, let the love light carry  
Light up the magic in every little part  
Let our love shine a light in every corner of our hearts

Love, shine a light in every corner of my dream  
Let the love light carry, let the love light carry  
Like the mighty river flowing from the stream  
Let our love shine a light in every corner of our dreams

And we are all gonna shine a light together  
All shine a light to light the way  
Brothers and sisters in every little part  
Let our love shine a light in every corner of our hearts

Love, shine a light in every corner of the world  
Let the love light carry, let the love light carry  
Light up the magic for every boy and girl  
Let our love shine a light in every corner of the world

And we are all gonna shine a light together  
All shine a light to light the way  
Brothers and sisters in every little part  
Let our love shine a light in every corner of our hearts
