I believe in my TV
and my Spiderman ABC
People can tell me that he's not real
But I - I gone crazy about that silk and steel

I wanna be rescued from bad guys clutches
I want to know what that Spiderman touch is

Spiderman
Spiderman

I fell in love with a smooth operator
He loved me now so I see you later
I fell in to his Spiderman net
Now I am as happy as a girl can get

Spiderman
Spiderman

Spiderman
Spiderman
Spiderman
Spiderman
