Can you see me deep inside
Behind these walls I've made
Need to reach you
Remind me of the love I gave away

(Chorus)

I'm standing at the edge of something
To see the ground I'm inching out
I'm hopin' that your arms are open as I'm coming down
Won't you break my, break my
Won't you break my fall

Can you hear me
A melody carried by the wind
Need to reach you
Before our story comes to an end
So we can begin again

(Chorus)

Falling weightless, amazing grace
Embracing gravity
Faithless I guess, if I believe then could this be
Flying

(Chorus)
