Yeah, yeah
Yeah, yeah
Yeah, yeah

Go hard go all the way
Go to the wall or go away

Do what it takes to up the score
'Cause all is fair in love and war

(Chorus)
Winning's Everything, yeah, yeah
It's more than just a game, yeah, yeah
Winning's Everything, yeah, yeah
Winning's Everything

Don't stop until you're number one
The undisputed champion

You're ready, rested, rich and tanned
You're on your way to Disneyland

(Chorus)

No runner up, no second string,
No whinin' when the fat lady sings

We'll make it clear we've got no fear,
'Cuz losin's not an option here

Go give a hundred ten
And when you're down, get up again
