Theres a melody in my head
And I ain't stopped hummin it
Since I saw your face
There's a feelin' I cant forget
It started with you kissin' me that way
And there's no end in sight

Like an Oklahoma wheatfield blowin'
You got my heart in motion, gone
I'm the pinks and your the reds,
Just like this sunset, we belong
There's no end in sight

How high is the sky?
How long is time?
With you is how I'm spendin' mine
Like there is no end in sight
I wanna laugh,
I wanna live,
and I'm gonna love you like there is
Like there is no end in sight

So kick your shoes off stay awhile
There's nothing here but stars for miles and me
We're standin' on the edge of something
Not afraid of jumping in... deep
And there's no end in sight

How high is the sky?
How long is time?
With you is how im spendin' mine
Like there is no end in sight
I wanna laugh,
I wanna live,
and I'm gonna love you like there is
Like there is no end in sight
I'm gonna love you
Like there is no end in sight
I'm gonna love you
Like there's no end in sight
(I wanna laugh,
I wanna live,

I'm gonna love you
Like there is
Like there is no end
Is no end
Is no end in sight)

There's a melody in my head
And I stopped hummin' it
Since I saw your face
