Waiting
Waiting for a notion
Movement and emotion
A simple twist of fait to light the way
Faces
All these smiling faces
They say it is contagious
But I can't see no reason to carry on
I'm sinking
Catch me when I fall
I should have walked the straight and narrow
I was careless
Nothingness
I didn't mean to hurt nobody
I'm just careless
Nothingness
Changes
We all go through changes
Act on different stages
Some will fight it
Some will tag along
Sleep now
I wish that I could sleep now
Sleep away my fear now
Sleep away the dream I'm living in
I'm sinking
Catch me when I fall
I should have walked the straight and narrow
I was careless
Nothingness
I didn't mean to hurt nobody
I'm just careless
Nothingness
