"One Day"

One day I'll crash into your life
Like a shot down plane
I'll make my way out of the wreck
And see you again
And if the season is a cold and grey one
We'll find our way back
Won't need no religion
And if the skies decides to pour the rain down
I'll fight it and so will you
One day I'll make up my mind
And get back to you
Then I will see what I can find
And what's left of you
And I, I will never run away no more
Cause all has it's time
All has it's beauty
And I, I will never fear the day
The joy of my life comes true
I miss you
And all you do
