Stars, the moon
Do their best to entertain us
Do the dance to set the mood
Night, all night
It will try to work it's magic
It will try with all it's might and

It's good, it's fine
Yeah, I hear the song birds singing
Hear the bells a-ringing
Everything that they call bliss
Maybe it is but to me
It's just the prelude to the kiss

Take my hand
In your hand and pull me closer
Maybe now we're getting somewhere
It's so beautiful
Butterflies, they dance in me and
Pretty eyes romancing me, yeah

It's good, it's fine
Yeah, I hear the song birds singing
Hear the bells a-ringing
Everything that they call bliss
Maybe it is but to me
It's just the prelude to the kiss

Kiss me and even the milky way
Could just fade away

I hear the music playing
Hear the angels saying
Everything that they call bliss
Maybe it is but to me

Oh, I hear the song birds singing
Hear the bells a-ringing
Everything that they call bliss
Maybe it is but to me
It's just the prelude to the kiss

Yeah, I hear the song birds singing
Yeah, I hear the bells a-ringing
