If I'm just a girl would you love me?  
Just me against the world, would you love me?  
If I can't be like everybody else  
So I walk away from a dream I never even wanted for  
myself  
Would you love me anyway?

If I'm not strong enough would you love me?  
If I need you too much, would you love me?  
If I run to you when I wanna cry, when I'm gonna break  
And you can't understand why, would you love me  
anyway?  
Would you love me anyway?

Baby, I need to hear you say that you know me  
You really know me and you love me anyway

If I want to fly would you love me?  
Hold me while I try because you love me  
If I wish to live among the stars where I can touch God's  
face  
Would you let me go that far and love me anyway?  
Would you love me anyway?

Will you love me anyway?  
Baby, I need to hear you say that you know me  
You really know me and you love me anyway, anyway,  
anyway  
Baby, I need to hear you say that you love me anyway
