Well I can't help but fall in love  
But it drives me insane  
Well I can't help but fall in love  
But it drives me insane  
Well I can never get enough  
I'm just addicted to the pain

Take a look at my dark side  
How you like me now  
Take a look at my dark side  
How you like me now  
When it comes around  
I scream holy cow

No I can't live without  
Good whiskey, bad men  
No I can't live without  
Good whiskey, bad men  
Well I just take 'em for a ride  
They keep coming round again

No I don't like to smile  
Least not for too long  
No I don't like to smile  
Least not for too long  
Well I'll love you for the night  
By the morning I'll be gone

Well I'm a frustrated woman  
Don't get in my way  
Yeah I'm a frustrated woman  
Don't get in my way  
Well I'll never change  
There ain't nothing you can say

Well I can't help but fall in love  
But it drives me insane  
I can't help but fall in love  
But it drives me insane  
I can never get enough  
I'm just addicted to the pain
