Kissed you twice it was nice  
I will not apologise  
Ran away too change my mind  
Well at least I didn't lie  
Do do do do do  
Wherever I go there I am  
Wherever I've been so I've been  
I'll never take it back again  
I can't change a thing  
I was once really shy  
I didn't know which way to go  
Too afraid to speak my mind  
Know I think that I might know  
Do do do do do  
Wherever I go there I am  
Wherever I've been so I've been  
I'll never take it back again  
I can't change a thing  
I can't change a  
I can't change a  
So there are things I may have done  
I'm not proud of everyone

But everyone is who I am  
I'd never take it back again  
Wherever I go there I am  
Wherever I've been so I've been  
I turn around and I grin  
I can't change a  
Wherever I go there I am  
Wherever I've been so I've been  
I'll never take it back again  
I can't change a  
I can't change a thing  
Do do do do do do do (I can't change a in the  
background vocals until end of song)  
Do do do do do do do do do  
Do do do do do do do do  
Do do do do do do do do do  
Do do do do do do do do  
Do do do do do do do do do  
Do do do do do do do do

Do do do do do do do do
