Sweet Emmylou I blew the dust off you  
You're the only one who knows what I'm going through  
It's like the hickory wind - he's gone again  
Sweet Emmylou

Sweet Emmylou as the needle runs through you  
The way the pain shines through I know you've been  
there too  
Those sad melodies oh how they comfort me  
Sweet Emmylou

Well I hate to bother you again  
Last time you helped my poor heart mend  
Then he came along.  
So I put your records all away  
Thought happy songs was all I'd play  
But I was wrong

Sweet Emmylou what are we gonna do  
It's only been a week or two and he's got someone new  
Lokks like it's gonna be another night of you and me  
Sweet Emmylou

CHORUS
