In the pines, in the pines, where the sun never shines
And you shiver when the cold wind blows
Little boy, little boy, what have i done
That's made you treat me so

You've caused me to weep, you've caused me to
mourn
You've caused me to leave my home
In the pines, in the pines, where the sun never shines
And you shiver when the cold wind blows

The longest train I ever saw
Went down that Georgia Line
The engine passed at six o'clock
And The cab went by at nine
In the pines, in the pines, where the sun never shines
And you shiver when the cold wind blows

The longest train I ever saw
Was 19 holters long
The only boy i ever loved
Is on that train and gone

In the pines, in the pines, where the sun never shines
And you shiver when the cold wind blows
In the pines, in the pines, where the sun never shines
And you shiver when the cold wind blows
