I've been the pretty from some big city  
I've been the hothouse rose.  
I've heard the jangle, I've had the jangle  
Had diamonds on my toes.  
All that material stuff is dandelion fluff  
I think that I've had enough sweet baby

I'll be your little wildflower swayin' in the summer  
breeze.  
You be the sun on my shoulders won't you dance with  
me, dance with me  
We'll make this tired world over spinnin' in a melody.  
And when the morning comes baby we'll kiss the sun  
Just you and me.

Clouds for a pillow beneath a willow  
A jigsaw puzzle sky.  
We'll drink the raindrops until the rain stops  
The wind'll blow us dry.  
And when the sky falls dark we'll catch a runaway star  
Holdin' on with our hearts sweet baby

CHORUS

I wanna feel us go out where the big dreams grow  
Hey boy, you never know, life's crazy

CHORUS
