You walk in a room and all the girls talk
I guess you get used to most of them fallin'
Down at you feet.
Cause you got the charm and the debonair down
So tall and dark like you just came out of
Some kind of fairy tale dream.
Ooh baby you're something
Ooh but I'm ...

Not your Cinderella
You're not the one in a million fella
The slipper ain't gonna fit me
Give my regards to Mr Disney
I'm no Sleeping Beauty
One kiss alone won't do it to me
Hate to be the one to tell ya
But I'm not your Cinderella.

I don't know if I believe in love at first sight
I think it might need just a little more time
To grow and be real.
So keep up the laughter and the ramblin' on
At the stroke of midnight I'm gonna be gone
This ain't a heart you can steal.
Ooh baby you're something
Ooh but I'm ...
