"What I Did Last Night"

Visit "[What I Did Last Night](#)" on MotoLyrics.com

It's another day after another night
Another sun I never thought I'd see rise
High heel hopes and whiskey lies
Ohhh-hoo
Feels like a freight train is running right though my head
My little black dress smells like cigarettes
A Napkin with no name, just an address
Had me a good time... I guess

How am I gunna get my life together
as old as its gettin' it aint gettin' any better
I don't know where to start
I'm fallin' so far behind
Mama says I gotta start acting like a lady
Daddy's just worried 'bout his baby
How am I supposed to straighten up and fly right
When I don't even remember what I did last night

Shelly said she saw me hanging on an astronaut... not
Lettin him lie though his teeth cause his smile was hot
I'm sittin here suckin' down second thoughts
a little hair of the dog... i know this has got to stop
How am I gunna get my life together
as old as its gettin' it aint gettin' any better
I don't know where to start
I'm falling so far behind
Mama says I gotta start acting like a lady
Daddy's just worried 'bout his baby
How am I supposed to straighten up and fly right
When I don't even remember what I did last night

OoOoOoh

How am I gunna get my life together
as old as its gettin' it aint gettin' any better
I don't know where to start
I'm falling so far behind
Mama says I gotta start acting like a lady
Daddy's just worried about his baby
How am I supposed to straighten up and fly right
When I don't even remember..... What I did last night
