I didn't have to turn my head whenever you walked in  
The only one to let these chills roll down my skin  
My heart beats faster when I hear your name  
And I feel my confidence slipping away

Thought I was doing fine  
About to get you off my mind  
I see your face and then I'm wrapped  
Around your pretty little finger again

It feels like ages since you laid down in my arms  
See no good reason, I'm tangled in your charm  
My God, your smiling and you catch my eye  
Well, my heart is pounding deep inside  
Thought I was doing fine  
About to get you off my mind  
And I see your face and then I'm wrapped  
Around your pretty little finger again

Ain't gonna let no man go down without a fight  
Cause my stones and walls look better in the bright  
daylight  
My heart beats faster, I call your name  
And I feel my confidence slipping away

Oh, thought I was doing fine  
About to get you off my mind  
And I see your face and then I'm wrapped  
Around your pretty little finger again  
Your finger again
