I go to sleep in this bed every night  
He's lying next to me  
Lord knows he treats me so right  
He's everything I'll ever need.  
He's so good to me I can't help feeling guilty  
Everytime he touches me

Cos you're the one I love  
You're the one I love.

I should be happy I should be content  
I shouldn't be so far gone.  
I can't stop thinking 'bout you  
Even though I know it's wrong.  
I should do the right thing do the right thing  
But a heart wants what it wants

You're the one I love  
You're the one I love

If lies were fire this house would be burning down  
If a river was desire I'd be drowning now.
