The lights turn from green to red,
I saw it write before my eyes,
We're gonna make it baby
Just keep on moving keep on moving

I've never felt so alive and well,
This has to be a dream of some sort,
Lights flashing, buildings burning.
It's time for a new beginning

Can you feel me now?
Can you feel me now?
Can you feel me now?

don't close your eyes we're almost there,
Just shake the worries from your hair.
The lights turn from green to red,
I saw it write before my eyes,
We're gonna make it baby
Just keep on moving keep on moving
Can you hear me now?
Can you hear me now?
Can you hear me now?

I've seen a Gat damn thing or two in my days,
I've picked up an addiction in every place.
I've brought it home baby,
Can you bring it home baby?
