You change your mind like Mollie dyes her hair
Yeah, you PMS like a bitch I would know
And you always speak
About Connor and Joe
You should know that your no good for them

[Chorus]

Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You fight, you break up
Never kiss or make up
You don't really wanna say, no
But you don't really wanna go, oh
Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed

You and Joe used to be just like twins
So in sync
Our old energy's
Now a dead battery
Used to sob over it
And you still do now
You should know

That their not gonna change

[Chorus]

Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You fight you break up
Never kiss or make up
You don't really wanna say, no
But you don't really wanna go, oh
Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed

Someone call the doctor

Got a case of a love bipolar
Stuck in a single period
Can't get out this time

You change your mind like Mollie dyes her hair
[Chorus]

Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
You fight you break up
Never kiss or make up
You don't really wanna say, no
But you don't really wanna go, oh
Cos' you're hot n your cold
You're Connor and Joe
Been out with Miles and James
Your love always changed
