You're so hypnotizing
Could you be the devil, could you be an angel
Your touch magnetizing
Feels like I am floating, leave my body glowing

They say be afraid
You're not like the others, futuristic lover
Different DNA, they don't understand you

You're from a whole another world
A different dimension
You open my eyes
And I'm ready to go, lead me into the light

Kiss me, k-k-kiss me
Infect me with your love, and fill me with your poison
Take me, t-t-take me
Wanna be your victim, ready for abduction
Boy, you're an alien, your touch so far away
It's supernatural, extraterrestrial

You're so supersonic
Wanna feel your powers, stab me with your lasers
Your kiss is cosmic, every move is magic

You're from a whole another world
A different dimension
You open my eyes
And I'm ready to go, lead me into the light

Kiss me, k-k-kiss me
Infect me with your love, and fill me with your poison
Take me, t-t-take me
Wanna be your victim, ready for abduction
Boy, you're an alien, your touch so far away
It's supernatural, extraterrestrial

There is this transcendental, on another level
Boy, you're my lucky star
I wanna walk on your wave length
And be there when you vibrate

For you I risk it allâ€¦ all

Kiss me, k-k-kiss me
Infect me with your love, and fill me with your poison
Take me, t-t-take me
Wanna be your victim, ready for abduction
Boy, you're an alien, your touch so far away
It's supernatural, extraterrestrial

Extraterrestrial
Extraterrestrial
Boy, you're an alien, your touch so far away
It's supernatural, extraterrestrial
