You would think  
That I could find  
A simple song,  
A photograph of mine  
To show this public eye,  
What I have to offer  
I may not have a PHD,  
Or speak  
In eloquent philosophy!  
I'm nothing more  
Than simply me you see!

CHORUS (\*1):  
What I am trying to say  
I'm just a babe  
In so many ways!

I'm still growing,  
Still stretchin'  
Still breaking  
In these new shoes  
Looking for a way  
To make a mark of my own  
I'm just a spring chick,  
Wet behind the ears  
It's a part of life  
So there's no need to fear  
These growing pains  
That I'm going through

I don't regret,  
I'm not ashamed  
That I haven't yet begun  
To speaketh ways...  
(As the wisest of men),  
Oh perhaps some day  
But for now I'm grateful  
To be a part  
Of the family tree,  
While The Man upstairs  
Does His work on me  
It's a job that may

Take eternity to complete

CHORUS (\*2):

Just when I've learned  
All I can,  
Those growing  
Pains up  
And kick on in again!

CHORUS

BRIDGE:

Time after time,  
One more time and again,  
Will it ever end?  
It's the lessons  
In our lives  
That make us wise  
But young or old  
I am told it's the same  
Oh, these growing pains  
Never go away,  
So I'll just  
Keep on trying

Music break

CHORUS (\*1)

CHORUS

Oh, baby don't worry  
About a thang!
