If you want me, a cherry on top
The pick of the pack, the cr me de la crop
If you want me you better
Do better than that tonight, oh, oh

If you want me, it takes more than a wink
And more than a drink, more than you think
If you want me you're gonna
Have to break the bank tonight

'Cause some don't have the patience
Some call me high-maintenance
But you pay the bill, 'cause that's the deal

If you wanna ride, just name your price
And don't play cheap with your heart
Don't make a bet if you can't write the check for me, for
me
'Cause I can be bought but you'll pay the cost
If you can afford me

If you want me, I'm not a piece of ass
A one night stand, a storage shed
I think you better walk by tonight
Oh no

If you want me, then stop begging
I don't put out for charity
If you want me there's no
Discount price tonight
But I don't need your dollar bills
I just want something real
'Cause nothing's free, except a loving me

If you wanna ride, just name your price
And don't play cheap with your heart
Don't make a bet if you can't write the check for me, for
me
'Cause I can be bought but you'll pay the cost
If you can afford me

If you want me, a cherry on top

The pick of the pack, the cr me de la crop

If you wanna ride, just name your price
And don't play cheap with your heart
Don't make a bet if you can't write the check for me, for
me
'Cause I can be bought but you'll pay the cost
If you can afford me

If you wanna ride, just name your price
And don't play cheap with your heart
Don't make a bet if you can't write the check for me, for
me
'Cause I can be bought but you'll pay the cost
If you can afford me
