How do I get  
Closer to you  
When you keep  
It all on mute  
How do I know  
The right way  
To love you

Usually the queens  
Are figurin out  
Beating down the man  
Is no work out  
But I have no clue  
How to get  
Through to you

I wanna hit you  
Just to see  
If you cry  
Keep knocking on wood  
Hopin there's  
A real boy inside

But you're not a man  
You're just a mannequin  
I wish you could feel  
That my love is real

But you're not a man

I wish  
I could just  
Turn you on  
But a battery in  
And make you talk  
Even pull  
A string for you  
To say anything

But with you  
There is no guarantee  
Only expired warranty

A bunch  
Of broken parts  
But I can't seem  
To find your heart

I'm such a fool  
I'm such a fool  
I'm such a fool  
Cause this one's  
Outta my hands  
I can't put you  
Back together again

Cause you're not a man  
You're just a Mannequin  
I wish you could feel  
That my love is real  
You're just a, a toy  
Could you ever be  
A real, real boy  
And understand  
But you're not a man

Oh understand  
That you're not a man
