CHORUS:

I'll never be the same - if we ever meet again
Won't let you get away-ay - say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same
if we ever meet again

say if we ever meet again

Do you come here much? I swear I've seen your face
before
Hope you don't see me flash, but I cant help but want
you more, more
Baby tell me whats your story
I ain't shy, don't you worry
I'm flirting with my eyes, wanna leave with you tonight
So do you come here much, I gotta see your face some
more, some more

coz baby I

CHORUS:

I'll never be the same - if we ever meet again
Won't let you get away-ay - say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same

if we ever meet again

If we ever meet again
I'll have so much more to say (if we ever meet again)

If we ever meet again
i wont let you go away (said if we ever meet again)

If we ever meet again
i'll have so much more to say (say if we ever meet
again)

If we ever meet again
i wont let you go away-ay-ay

CHORUS:

I'll never be the same - if we ever meet again
Won't let you get away-ay - say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same
if we ever meet again

I'll never be the same - if we ever meet again
Won't let you get away-ay - say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same
if we ever meet again
