Milk milk lemonade round the back's where chocolates made. 4x

I know you're thirsty baby standing in the heat.
I got the juicy fruit; the sweet peaches and cream
You wanna wet your whistle, come and have a drink.
(Ice cold)

Cool as a cucumber, you're coming on to me.
You say I got the ripest melons on the street.
My honey dew and your banana make a treat.

Cause baby don't you know all the boys are jelly of you?
(The first comes, first serve)
Don't you know that it's so delicious, yummy, and new?
(The first comes, first serve)
So bottoms up!

You'll have to cut your calories when you're with me.
Because my sugar gonna give you cavities.
Don't wanna share me cause I'm such a tasty treat.
(Yum yum)

I'll let you double dip it in your favorite sauce.
I'll even let you eat the cherry on the top.
You'll beg for seconds in a diabetic shock.
(What?)

Cause baby don't you know all the boys are jelly of you?
(The first comes, first serve)
Don't you know that it's so delicious, yummy, and new?
(The first comes, first serve)
So bottoms up!
