The leaves were falling
I was seventeen
We'd been locking lips
Grabbing hips
Smoking cigarettes
We took a drive in your 1990
Had me down from out of town
I was California
Oh my legs were not shaved
And you had dirt between your fingers
They told us to behave
But hey

It's not like riding a bike
It's not like flying a kite
It's not as easy as pie
There's nothing like the first time
It's not like taking a bath
It's not like having a laugh
It's not like reading a map
There's nothing like the first time

I had seen it in the
Magazines
We would
Change the chanel
On the tv screen
Cuz it's such a sin
What ya did to me
Straight to hell it's what they sell
If you've done the deed
Oh but what could be so bad
Oh if everyone is guilty
I guess we want what we can't have
'Cause I've heard

It's not like riding a bike
It's not like flying a kite it's not as easy as pie
There's nothing like the first time
It's not like taking a bath
It's not like having a laugh
It's not like reading a map

There's nothing like the first time

Do you remember
Do you remember
Do you remember
Do you remember

La la la la la la
There's nothing like the first time
La la la la la la
There's nothing like the first time

It's not a walk in the park
It's not a shot in the dark
It's not a juvenile crime
There's nothing like the first time
It's not like tying the knot
There's no connecting the dots
And in case you forgot
There's nothing like the first time
Hey yeah yeah yeah
There's nothing like the first time
Oh oh ohhh
There's nothing like the first time
Hey ey ey
There's nothing like the first time

It's not like reading a map
Oh I can give you that
There's nothing like the first time
