[Flo Rida]

You spin my head right round, right round
When you go down, when you go down down

[Kesha]

You spin my head right round, right round
When you go down, when you go down down

[Flo Rida]

Hey
Hopped out of that house with my swagger
Hop in that with girl, I got places to go!
People to see, time is precious
I look at my crowd and they out of control
Just like my mind where I'm going
No women, no shorties, no nothin but clothes
No stoppin now, my Pirellis on role
I like my jewelry, that's always on gold
I know the storm is comin
my pockets keep tellin me its gonna shower
Call up my homies that's home
Then pop in the night cuz its meant to be ours
We keep a fade away shot cuz we ballin
its platinum patron that be ours
Lil mama, I owe you just like the flowers
Girl you to drink with all that and power clubs

[Flo Rida]

You spin my head right round, right round
When you go down, when you go down down

[Kesha]

You spin my head right round, right round
When you go down, when you go down down

[Flo Rida]

From the top of the pole I watch her go down
She got me throwin my money around
Aint nothin more beautiful to be found
Its goin down down.
From the top of the pole I watch her go down
She got me throwin my money around

Aint nothin more beautiful to be found
Its goin down down

[Flo Rida]

Hey
Shawty must know Im not playin
My money love her like a numba one fan
Dont look at my mouth, let her talk to my fans
My Benjamin Franklin
A couple of grands, I got rubber bands
My paper planes makin a dance
Get dirty all night, thats part of my thing
Keep building castles thats made out of sand
Shes amazing, the fire blazing
Hotter than Cajun

Girl wont you move a lil closer?
Time to get paid, its maximum wage
That body belong on a poster
Im in a daze, that bottom is wavin at me
Like damn it I know you
You wanna show like a gun out of holster
Tell me whatever and Ill be your roper ..

[Flo Rida]

You spin my head right round, right round
When you go down, when you go down down

[Kesha]

You spin my head right round, right round
When you go down, when you go down down

[Flo Rida]

From the top of the pole I watch her go down
She got me throwin my money around
Aint nothin more beautiful to be found
Its goin down down
From the top of the pole I watch her go down
She got me throwin my money around
Aint nothin more beautiful to be found
Its goin down down

[Flo Rida]

Im spendin my money
Im out of control
Somebody help me
Shes takin my bank roll.
But Im king of the club
And Im wearin the crown
Poppin these bottles
Touchin these models

Watchin they asses go down down
down down, down down [x4]

[Flo Rida]
You spin my head right round, right round
When you go down, when you go down down

[Kesha]
You spin my head right round, right round
When you go down, when you go down down

[Flo Rida]
You spin my head right round, right round
When you go down, when you go down down

[Kesha]
You spin my head right round, right round
When you go down, when you go down down
