Nice legs, Daisy Dukes, makes a man go ...
That's the way they all come through like ...
Low-cut, see-through shirts that make you ...
That's the way she come through like ...

'Cause I just set them up
Just set them up
Just set them up to knock them down

'Cause I just set them up
Just set them up
Just set them up to knock them down

I think I should know
How
To make love to something innocent without leaving my fingerprints out
Now
L.O.V.E's just another word I never learned to pronounce
How
Do I say I'm sorry 'cause the word is never gonna come out
Now
L.O.V.E's just another word I never learned to pronounce

Tight jeans, double D's makin' me go ...
All the people on the street know ...
Iced out, lit-up, make the kids go ...
All the people on the street know ...

'Cause I just set them up
Just set them up
Just set them up to knock them down

'Cause I just set them up
Just set them up
Just set them up to knock them down

I think I should know
How
To make love to something innocent without leaving my fingerprints out
Now
L.O.V.E's just another word I never learned to pronounce
How
Do I say I'm sorry 'cause the word is never gonna come out
Now
L.O.V.E's just another word I never learned to pronounce

You know that type of shit just don't work on me
Whistling, trying to flirt with me
Don't take it personally
'Cause we were never in love
It doesn't really matter who you say you are
Singing out the window of your car
When another girl across bar
'Cause L.O.V.E's not what this was.

I think I should know
How
To make love to something innocent without leaving my fingerprints out
Now
L.O.V.E's just another word I never learned to pronounce
How
Do I say I'm sorry 'cause the word is never gonna come out
Now
L.O.V.E's just another word I never learned to pronounce
