Greetings loved ones, let's take a journey (yeah)
The o-o-o-o-o-one (uh)
Baby you're a
California gurls
Let's go all the way tonight
No regrets, just love
We can dance until we die
You and I, we'll be young forever
You make me
Feel like I'm living a
Teenage dream
The way you turn me on
I can't sleep
Let's run away and
Don't ever look back,
Don't ever look back.
My heart stops
When you look at me
Just one touch
Now, baby I believe
This is real
So take a chance and
Don't ever look back,
Don't ever look back.
I'mma get your heart racing
In my skin tight jeans
Be your teenage dream tonight
Let you put your hands on me
In my skin tight jeans
Be your teenage dream tonight (tonight)
(youuuuuuuuuu)
I know a place where the grass is really greener
Warm, wet and wild,
there must be something in the water
Sipping gin and juice,
laying underneath the palm trees
The boys break their necks
trying to creep a little sneak peek at us
You could travel the world
But nothing comes close to the golden coast
Once you party with us,
you'll be falling in love

Oh, oh, oh, oh, oh, oh
California girls, we're unforgettable
Daisy Dukes, bikinis on top
Sun-kissed skin, so hot will melt your popsicle
Oh, oh, oh, oh, oh, oh
California girls, we're undeniable
Fine, fresh, fierce, we got it on lock
West coast represent, now put your hands up
Oh, oh, oh
in another life
I would be your girl
We keep'd our promises
Be us against the world
And in another life
I would make you stay
So I don't have to say
You were the one that got away
The o-o-o-o-o-one [x3]
I would make you stay
So I don't have to say
You were the one that got away
There's a stranger in my bed,
There's a pounding my head
Glitter all over the room
Pink flamingos in the pool
I smell like a minibar
DJ's passed out in the yard
Barbie's on the barbeque
There's a hickie or a bruise
Pictures of last night
Ended up online
I'm screwed
Oh well
It's a black top blur
But I'm pretty sure it ruled (damn)
Last Friday night
Yeah we danced on tabletops
And we took too many shots
Think we kissed but I forgot
Last Friday night
Yeah we maxed our credit cards
And got kicked out of the bar
So we hit the boulevard
Last Friday night
We went streaking in the park
Skinny dipping in the dark
Then had a menage a trois
Last Friday night
Yeah I think we broke the law
Always say we're gonna stop-op
Whoa-oh-oah

but This Friday night
Do it all again
t.g.i.f - X6
You're so hypnotizing
Could you be the devil
Could you be an angel
Your touch magnetizing
Feels like I am floating
Leaves my body glowing
They say be afraid
You're not like the others
Futuristic lover
Different DNA
They don't understand you
You're from a whole other world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light
Kiss me, ki-ki-kiss me
Infect me with your love and
Fill me with your poison
Take me, ta-ta-take me
Wanna be your victim
Ready for abduction
Boy, you're an alien
Your touch are foreign
It's supernatural
Extraterrestrial
Do you ever feel like a plastic bag,
drifting through the wind
wanting to start again?
Do you ever feel, feel so paper thin
like a house of cards,
one blow from caving in?
Do you ever feel already buried deep?
6 feet under screams but no one seems to hear a thing
Do you know that there's still a chance for you
'Cause there's a spark in you
You just gotta ignite, the light, and let it shine
Just own the night like the 4th of July
'Cause baby you're a firework
Come on, show 'em what you're worth
Make 'em go "Oh, oh, oh"
As you shoot across the sky-y-y
Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon
