I saw you  
At the grocery store  
Oh  
You both looked happy  
Picking out the usual  
She's a carbon copy  
Of everything you lost  
Of everything I'm not  
I guess you just forgot  
How to pick 'em

If she's the one  
I've heard about  
I'm disappointed  
If she's the reason  
Why you left  
I'm not impressed at all  
Well  
This looks like the end  
Yeah  
We can still be friends  
Congratulations

Let me be the first  
To wish you the worst  
'Cause I think you  
Deserve each other  
Let me the curse  
That creeps  
Under your skin  
Until your heart  
Caves in  
And you wish  
She was me again

And again  
And again  
And again

Well, someone had  
To tell the truth  
And I'm always honest

I read you  
Like an open book  
And it's obvious to me  
She's just  
The one between  
Heading no where fast  
Sure  
It's gonna last forever

Let me be the first  
To wish you the worst  
'Cause I think you  
Deserve each other  
Let me the curse  
That creeps  
Under your skin  
Until your heart  
Caves in  
And you wish  
She was me

Let me be the first  
To wish you the worst  
'Cause I think you  
Deserve each other  
Let me the curse  
That creeps  
Under your skin  
Until your heart  
Caves in  
And you wish  
She was me again

And again  
And again  
And again

Oh, you wish  
You wish  
You wish  
You do
