Lost my 18 dollars
The robbers were right
It's there as if the ...
Holding it tight

I cleaned out the door
Like a spy ...

Lost my mind
Lost my mind last night
Woke up smiling something wasn't right
Sang a song in a major key
Something was wrong
My mind was gone
I was
Happy
Crazy

Always thought I knew how
Tall my smile would stand
Turns out who I was not
Is now who I am
All the lights were on
And this song is worse than caroling
Lost my mind
Lost my mind last night
Woke up smiling something wasn't right
Sang a song in a major key
Something was wrong
My mind was gone
I was
Happy
Crazy

Just because
I have tea and green leaves
Doesn't mean I'm a crackhead anymore

Lost my mind
Lost my mind last night
Woke up smiling something wasn't right
Sang a song in a major key

Something was wrong
My mind was gone
I was
Happy
Crazy

Happy
Crazy
