#### Verse 1:

I wish there was a photograph  
That showed me here with you  
And i could kiss the photograph  
and make my wish come true  
I wish i was a huming dove  
So i could sing so sweet  
I wish that i could steal the moon  
And kiss it with my feet  
I wish i was a remedey  
That you wanted to take  
A product or a recipe  
That no-one had to bake  
I wish i could forget that day  
The hurting in my heart  
And wash our mouths with listerine  
And make a brand new start

#### Chorus:

Watchin the rain fall down  
Watchin the rain  
Watchin the rain  
Watchin the rain fall down  
Watchin the rain  
Watchin the rain

#### Verse 2:

I wish there was a fairytale that turned into my life  
So i could kiss princecharming-man  
And be his princess wife  
I wish the voices in my head  
Would leave my ears alone  
So my eyes would stop the water bleeding  
And i could find a home  
I wish there was a riby-rose  
Where i spread my wings and flew  
So i could inhale the perfume  
And be the morning dew  
I wish the raindrops on the glass will let me join their  
dance  
I'd spin and twirl and laugh at them

And drown my thoughts per chance

Chorus

La la la  
I kinda like it  
Whoa-oo-o  
Whoa-oo-o  
I kinda like this way

Watchin the rain  
watchin the rain

Chorus

Watchin the rain  
Watchin the rain
