You can do anything you want to
I won't get upset.
You can have anything you ask for
I will go and get.
So here I am
Another day
Another one,
to give away.
So here I go
To be with you
I'll give myself,
over and over again.

You can do anything you like
I won't get in the way.
If I should suffer in my silence
Well than that's okay.
'Cause I don't care,
if you don't care.
We're never going
anywhere.
Another night.
Another fight.
We hurt ourselves,
over and over again.

I'm just a Girl in a Jigsaw Puzzle.
Trying hard not to fall apart.
I'm just a Girl in a Jigsaw Puzzle
(yeah)
And it's hard to finish, when there's something
missing.

(Instrumental Break)

I'm just a Girl in a Jigsaw Puzzle.
Trying hard not to fall apart.
(But it's not that easy)
I'm just a Girl in a Jigsaw Puzzle
(yeah)
And it's hard to finish, when there's something

missing.

And there is no point at all.
