You can do anything you want to
I won't get upset
You can have anything you ask for
I will go and get

So here I am
Another day
Another one
To give away

So here I go
To be with you
I'll give myself
Over and over again

You can do anything you like
I won't get in the way
If I should suffer in my silence
Well that's okay

'Cause I don't care
If you don't care
We're never going
Anywhere

Another night
Another fight
We hurt ourselves
Over and over again

I'm just a girl in a jigsaw puzzle
Trying hard not to fall apart
I'm just a girl in a jigsaw puzzle
(Yeah)
And it's hard to finish, when there's something missing

I'm just a girl in a jigsaw puzzle
Trying hard not to fall apart
(But it's not that easy)
I'm just a girl in a jigsaw puzzle
(Yeah)
And it's hard to finish, when there's something missing

And there is no point at all
