All day long I watch this hourglass.

Even though it won't help make the time go fast.

No offense but I'm not sorry now

(Every grain seems like a minute)

Ever since I found out what it's like somehow.

You and I can see, why it takes so long Don't be mad at me, if I feel for you.

(chorus)
Don't give up
(Don't give up)
Everything was meant sincerely
Now, Don't deny(Don't deny)
Everything is all so clearly, almost and nearly.
(Don't give up)

Kiss me once, and I know I will fall. (Pull my strings and I will follow) The way my senses feel they make no sense at all.

You and I can tell, what is right from wrong. Don't be mad at me, if I long for you.

(repeat chorus)
(instrumental break)

You and I can tell, why it takes so long. Don't be mad at me, if I feel for you.

Don't give up
(Don't give up)
Everything was meant sincerely
Now, Don't deny(Don't deny)
Everything is all so clearly,
Now. Don't Resist
(Don't resist)
Make it easy for me, and we're there.
Don't give up
(Don't give up)
Everything is all so clearly, almost and nearly.

Almost and nearly.

Don't give up
Don't give up....(repeat to fade)
