A little busybody told me I was blind
I wouldn't sense the nose on my face
You know I never listen to her good advice
And I resemble the thing she made up

If anyone should ever bring you down
She will and she will and she will

She's Miss Misery
Never the one to interfere
She's Miss Misery
Whenever there's a rumor going 'round and 'round
And 'round and 'round and 'round
You've got to look no further

She said it was her duty as a volunteer
To come to me with this information
She couldn't think of anything she wanted more
Than hitting me with her expectations

If anyone should ever bring you down
She will and she will and she will

She's Miss Misery
Never the one to interfere
She's Miss Misery
Whenever there's a rumor going 'round and 'round
And 'round and 'round and 'round
You've got to look no further

If anyone should ever bring you down
She will
If anyone should ever bring you down
She will and she will and she will

She's Miss Misery
Never the one to interfere
She's Miss Misery
Whenever there's a rumor going 'round and 'round
And 'round and 'round and 'round

'Round and 'round, and 'round and 'round

'Round and 'round, and 'round and 'round
'Round and 'round, and 'round and 'round
'Round and 'round, and 'round and 'round

'Round and 'round, and 'round and 'round
'Round and 'round, and 'round and 'round
'Round and 'round, and 'round and 'round
