I can make you feel good
Oh so good
Are you the kind that puts your heart on the line
Or one who stays out of reach?
Cos unlike any other guys I won't waste your time
Just wanna practise what I preach
Girl love can be such a challenge
a game where there can be two winners
Unlike any sport
It depends on the prize and knowing
where the real thing lies
To make a long story short
Chorus:
Oh baby I can make you feel good
(I can make you feel good)
Let me lay this good love on ya, yeah
I can make you feel good
(I can make you feel good)
Just say I really want ya
There's guys that offer you diamonds and pearls

Those are the wants but not the needs, no no
Other guys say that they can give you the world
A world of love is what you'll get from me
Girl those material things meant more
to me before the day I found ya
Now I truly believe
All the money in the world can't comfort
you the way I wrap my arms around ya
I'll always be there
Chorus
Let me make you feel good
Let me make you feel good
Oh so good
Let me hear it from you baby
Let me hear it from you baby
Oh so good
Chorus till end
