How can we explain this thing?
You're getting inside my mind and slowly digging in,
You tear out my heart just to begin,
Then you came along and treated me just like a king,
yeah
If I had three wishes I would love you, hate you tie you
up,
Just to keep the magic, tell me baby is that enough?
Oh, oh, oh...

I can feel the hurt, I can take the pain,
But why is it happening to me again?
Don't underestimate what we can create,
Isn't this insane?

I don't know the score baby anymore,
So can you please explain?
You're living like an angel and then a whore,
Isn't love insane?

Do you like the games we play?
Well you seemed to like it well enough yesterday,
If I was you and you were me,
You always climb on top to see what you want to see,
yeah,

If I had three wishes, I would hate you, hate you, give
you up,
But I need you baby, 'cause you are my only drug,
Oh, oh, oh...

I can feel the hurt, I can take the pain,
But why is it happening to me again?
Don't underestimate what we can create,
Isn't love insane?

Chorus :-

I can feel the hurt, I can take the pain,
Why is it happening to me again?
Don't underestimate what we can create,
Isn't love insane?

(repeat chorus till fade)
