You know how I love to be with you
Girl you know that its true
We go together so good
When you touch me there
When you kiss that way
Baby you just take my breath away
When you move in close
Your skin's on mine
Don't stop, 'cos we're doin' it right
Chorus:
You've turned me around
I can't let you go
I'll make you see we're MFEO
No matter how long
It takes me to show
You've gotta believe
We're MFEO
I don't know how long I've tried to prove
That I'm the one for you
So don't play games with my mind
When you touch me there
When you kiss that way
Baby you just take my breath away
When you move in close
Feel your skin on mine

Don't stop, 'cos we're doin' it right
Repeat Chorus
Rap:
Blue skies in your eyes I see the feeling
Tell me this baby now do you get the meaning
I love you love what you wanna do love
Sure nuff sugar pie we can think it through love
Bit of this with the touch of your behavior
You can be my cutie pie 'cos you got the flavour
Straight up no lie if you never know
We will forever be M.F.E.O.
When you touch me there
When you kiss that way
Baby you just take my breath away
When you move up close
Your skin's on mine

Don't stop, 'cos we're doin' it right

Repeat chorus to fade
