I need to talk with you again, why did you go away?  
All our time together just feels like yesterday  
I never thought I'd see a single day without you  
The things we take for granted, we can sometimes lose

And if I promise not to feel this pain  
Will I see you again?  
Will I see you again?

'Cos time will pass me by, maybe I'll never learn to  
smile  
But I know I'll make it through if you wait for me  
And all the tears I cry, no matter how I try  
They'll never bring you home to me  
Won't you wait for me in heaven?

Do you remember how it was when we never seemed to  
care?  
The days went by so quickly 'cos I thought you'd always  
be there  
And it's hard to let you go, though I know that I must try  
I feel like I've been cheated 'cos we never said  
goodbye  
And if I promise not to feel this pain  
Will I see you again?  
Will I see you again?

'Cos time will pass me by, maybe I'll never learn to  
smile  
But I know I'll make it through if you wait for me  
And all the tears I cry, no matter how I try  
They'll never bring you home to me  
Won't you wait for me in heaven?

'Cos I miss you so  
And I need to know  
Will you wait for me?

'Cos time will pass me by, maybe I'll never learn to  
smile  
But I know I'll make it through if you wait for me  
And all the tears I cry, no matter how I try

They'll never bring you home to me  
Won't you wait for me in heaven?

And time will pass me by, maybe I'll never learn to  
smile  
But I know I'll make it through if you wait for me
