All the time

I know my lonely heart is dying perfectly.
Iâ€™ve never felt so down before.
Since the day you said goodbye,
I canâ€™t play the game no more.

Time after time I try to live my own life,
But everything I do is for you.
So, if you feel the same way like I do,
sure that we can work it out.

Girl Iâ€™ll love you all the time. * 3

Sure youâ€™ll love me too.

Time after time I try to live my own life,
But everything I do is for you.
So, if you feel the same way like I do,
sure that we can work it out.

Girl Iâ€™ll love you all the time. * 3
Sure youâ€™ll love me too.

Now I feel like Iâ€™m flyingâ€¦
over the rainbow.
All the time.
