The simple things

Look at the sun in her eyes (she's beautiful today)
Look how the spring arrives (and touches her hair)
Look how she plays in the wind,
with a brown paper bag.

Listen to the music she brings.
Feel for a minute the way she looks at you.
Look how she dances in the street,
with her shadow, under the sun.

Oh! I want to be with you tonight,
(tell my darling wanna be with me)
Oh! I wanna be with you tonight
Dream of the way that she dreams.
Pray for the way she believes...like I believe.
Feel how she hurts when she cries,
when she kisses goodbye.

Listen to the music she brings.
Feel for a minute the way she looks at you.
Look how she dances in the street,
with her shadow, under the sun.

Oh! I want to be with you tonight,
(tell my darling wanna be with me)
Oh! I wanna be with you tonight
